JGHV	VJP _ HZP _ VGP _	
Other	<input checked="" type="checkbox"/> AKC Senior Hunter	
	GENERAL APPEARANCE	Score
Type	Meets Small Munsterlander TYPE (1) Yes (2) No	1
Sexual Characteristics	(1) Typical (2) Untypical	1
Proportion – head to torso	(1) Proportional (2) Head small (3) Head big	1
Proportion-ground/elbow Elbow/wither	(1) Ground to elbows should be the same distance as elbows to withers (2) Ground to elbows more than elbows to withers (3) Ground to elbows less than elbows to withers	1
Proportion – Height/Length	(1) 1:1.10 to 1:1.15 (2) Square 1:1.09 or less (3) Too long (1:1.16 or more)	1
Height	Shoulder height at withers: (1) Male: 52-56 cm (20.5"-22") Female: 50-54 cm (19.7"-21.3") (2) +/- 2-4 cm (+/- .8" to 1.6") (3) +/- 4 cm (+/- more than 1.6")	1
Bone	(1) Sturdy bone (2) Fine bone (3) Very heavy big-boned	1
Muscle	(1) Balanced muscle tone (2) Soft muscle tone (3) Overbuilt muscle tone	1

Color	(1) Brown/White or Brown Roan with brown patches, brown mantle or brown ticking; blaze permitted (2) Whole colored dog	1
	HEAD	
Skull	(1) Distinguished, lean, flat to slightly arched (2) Narrow (3) Wide (4) Severely arched (5) Course	1
Stop	(1) Only slightly pronounced but distinctly recognizable (2) Very pronounced (3) Flat	1
Nose color	(1) Whole colored brown (2) <25% spots (3) < 50% white (4) Mostly white >50% (5) Completely depigmented nose	1
Nose length	(1) Normal: 50% of head (2) Shorter than 50% (3) Longer than 50%	1
Muzzle	(1) Powerful, long, straight (2) Slightly curved (3) Short (4) Pointed muzzle (5) Dished nose bridge	1
Lips	(1) Short, tight closing and well pigmented (2) Shows lip (3) Shows excessive lip (4) Split jaw or split lip	1
Teeth	(1) Scissors bite (2) Pincer-bite/level (3) Overshot (4) Undershot	1
Teeth	(1) 42 teeth according to the dentition formula (2) Lack or excess of two P1s (3) Any deviation from #1 other than lack of or extra of two P1s. Teeth; extras or missing: _____	1
Cheeks	(1) Strong and well muscled (2) Weak	1
Eye size	(1) Medium size (2) Protruding (3) Deep set	1
Eye color	(1) Dark brown (2) Mid brown (3) Light brown (4) Light yellow hawk eye	2

Eyelid closure	(1) Tight fitting, covering the haws (2) Entropic (3) Ectropic (4) Distichiasis	1
Ear set	(1) Set on high (2) Set mid (3) Set low	1
Ear hang	(1) Lying close to head (2) Lying outward (3) lying flat to head	1
Ear length	(1) Ear leather reaches not beyond the corner of the mouth (2) Ear leather reaches beyond the corner of the mouth	1
	BODY	
Chest	(1) Rather deep than broad, ribs well arched (2) Serious lack of depth of chest (3) Too flat sided brisket (4) Barrel shaped brisket (5) Malformation of the ribcage (sternum cut off)	1
Neck	(1) Tight fitting throat skin (2) Loose fitting (3) Pronounced dewlap	1
Back/Topline	(1) Firm, well muscled (2) Soft or weak (3) Distinct roach back (4) Swayback (5) Crooked spine	1
Withers	(1) Pronounced (2) Flat	1
Loins	(1) Short, broad, muscled (2) Long (3) Narrow (4) Weak	1
Croup	(1) Long and broad slightly sloping towards tail (2) Short slanting (3) Flat	1
Underline and Belly	(1) Slight tuck-up towards the rear; lean (2) No tuck-up; heavy (3) Severe tuck-up	1
Testicles	(1) Two normally developed testicles (2) Monorchidismism (3) Cryptorchidismism	1
	LIMBS	
Forequarters	(1) Straight, parallel and under body (2) Slightly turned out (3) Severely turned out (4) Slightly turned in (5) Severely turned in	2

Front Angulation	(1) Shoulder and upper arm forming a good angle: 90 degrees (2) Straight angle (3) Over angulated	2	
Upper Arm	(1) As long as possible, well muscled (2) Short (3) Very short	1	
Elbows	(1) Close to the body (2) Elbow out (3) Elbow in (4) Elbows heavily turning out or in	1	
Pasterns	(1) Very slightly sloping (2) Down in pastern (3) Knuckled over	1	
Hindquarters	(1) Straight and parallel (2) Slightly bowed out (3) Slightly cow hocked (4) Severely bowed out (barrel legged) (5) Severely bowed - cow hock	1	
Rear Angulation	(1) Correct angulation (2) Slight angles (3) Large angles (4) Angles too pronounced	1	
Balance- front to rear	(1) Balanced and correctly angulation (2) Balanced and straighter angles (3) Balanced and over angled (4) Unbalanced	1	
Paws/Foot	(1) Round, arched with well-knit toes (2) Hare-foot (3) Flat foot (4) Splayed toes	1	
Pads	(1) Thick tough robust pads (2) Medium pads (3) Thin pads	1	
Paw hair	(1) Short (2) Hair between toes (3) Hair too pronounced on paw	2	
	TAIL		
Set	(1) Set on high (2) Set very high (3) Set medium (4) Set low	1	
Tail length	(1) Medium (2) Short (3) Long (4) Very short (5) Very long	1	

Tail posture/ positioning	(1) Carried horizontally and not too high above the level of the topline (2) Carried high (3) Curls over the back (4) Kinky tail (5) Ring tail	1	
Tail hair	(1) Long flag (2) Short flag (3) Medium flag (4) Very long flag	1	
	COAT		
Hair density	(1) Dense (2) Slightly dense (3) Open	2	
Hair strength	(1) Strong (2) Soft (3) Wire-like	1	
Hair length	(1) Medium length (2) Short (3) Long	1	
Hair style	(1) Mostly smooth (2) Light wave or curl (3) Medium Wave or curl (4) Excessive wave or curl	1	
Skin	(1) Tightly clinging (2) Loose (3) Very loose	1	
Feathering - back of the legs	(1) Ample (2) Very long (3) Very short	1	
Feathering on the back of the hind legs	(1) Breeching down to the hocks (2) Little breeching (3) No breeching	1	
	GAIT AND DYNAMICS		
Movement	(1) ground covering, with good drive, and appropriate reach, straight forward and parallel coming and going with well upstanding posture (2) Pacing gait (3) Clumsy movement	1	
Behavior / Temperament	(1) Friendly and confident (2) Reserved (3) Anxious or insecure (4) Fearfulness or aggressiveness (5) Game or gun shyness	1
